

☆Financial Assistance Needed to attend School☆

For children who are unable to enroll in school due to financial difficulties, a part of the money will be subsidized to help them.

〈Eligibility〉 Parents of children living in Ashikaga City attending public elementary, and junior high schools who are in financial trouble.

※People who have quit their jobs or whose household finances have suddenly deteriorated.

〈Details〉 Supporting the costs of buying things you need at school, school excursions, school lunches, etc.

〈Application〉 Please submit the application to the school of your child.

※Application forms are available at the school.

※There is a screening to the support.

◇For more: contact the School Administration Division (☎0284-20-2221)

☆Free Childcare Cost for Second Child☆

Starting from April, childcare charge for the second child will be free of charge (0 yen).

〈Eligibility〉 The childcare cost (amount paid by the user) for the second child who is registered as a resident in Ashikaga City and enrolled in a licensed childcare facility (even outside Ashikaga City) is free (0 yen).

※A second child is ... the child counting from the eldest child that the parents are currently raising. This does not include cases where the first child is no longer supported by parents due to employment, etc.

〈Application〉 Eligible family will be given information and an application form through the childcare facility they are enrolled in.

◇For more: contact the Childcare Section (☎0284-20-2138)
